Diploma in Anti-Money Laundering and Compliance

MQF Level 5 | 60 ECTS

COURSE DESCRIPTION

This programme will provide you with a solid understanding of anti-money laundering (AML) and compliance practices. It aims to help you build the skills required for professional practice related to fighting financial crime, including AML and Countering the Financing of Terrorism (CFT).

The course will delve into what money laundering and terrorist financing are, how they affect countries and economies and why. You will learn about the tools and strategies employed to operationally protect against money laundering and the funding of terrorist activities, taking Maltese and international financial crime laws and regulations into consideration.

The course also covers the control frameworks that must be managed to ensure that a regulated firm is not used by criminals or the financiers of terrorism. You will learn to identify the strengths and weaknesses of AML frameworks in line with the Financial Action Task Force (FATF) recommendations.

You will also get to identify future trends and emerging risks, as well as new supervisory authorities that have been formed as a result of these new risks.

TARGET AUDIENCE

This programme is targeted at people within the financial and banking sector, as well as other individuals seeking professional and academic advancement in AML and compliance.
